As a condition of participation in the Event, the undersigned (“Participant”) understands and agrees to the following terms and conditions:

Name and Likeness Release

At various times and places during the Event, Sponsor may photograph, video or audio record or otherwise capture Participant’s image, name or voice (“Participant’s Likeness”). Participant grants permission to Sponsor to utilize Participant’s Likeness for any and all purposes related to promotion and publicity for future events such as field trips, in any and all manner or media, throughout the world, in perpetuity. Participant waives any right to inspect or approve any finished product or any advertising copy that may be used in connection herewith or the use to which it is applied. Participant warrants that he/she has the right to make this release and that by granting this release and the rights conveyed thereby, Participant is not infringing on the rights of any third party. Participant assigns to Sponsor all rights, title, and interest, including full rights of assignability, in any and all media in which Participant’s Likeness has been captured in connection with the Event.

Assumption of Risk

Participant understands and agrees that participation in the Event carries a degree of risk to person and property. In particular, Participant understands that he/she may be touring land or properties that are undeveloped, developed or under development or construction, and that such activities may involve the risk of serious injury, illness, permanent disability, dismemberment and death, and may also involve the risk of severe economic harm and property loss and damage. Participant understands that these risks may result from the action, negligence and/or failure to act by Participant and/or others including but not limited to other participants, Sponsor, third party organizers and/or volunteers. Participant also understands that there may be risks involved which are not currently known or reasonably foreseen by Participant or Sponsor.

Participant assumes all of the aforementioned risks including the risk of any negligence by other participants or by Sponsor (including individual owners, directors, officers, affiliates, employees or agents thereof) and accepts personal responsibility for any injury (including but not limited to personal injury, disability, dismemberment and death), illness, damage, loss, claim, liability, or expense, of any kind or nature, that Participant or Participant’s property may suffer arising out of or in connection with Participant’s participation in the Event.

Liability Release and Indemnity Agreement

I, Participant, hereby release and forever discharge and agree to save and hold harmless Sponsor and their respective affiliates, including volunteers, officers, employees, and agents of any and all of them, and the other participants in the Summit (each such entity or individual referred to herein as “Released Party”) of and from any and all injuries (including, but not limited to personal injury, disability, dismemberment and death), illness, damage, loss, claim, liability, or expense, of any kind or nature that are caused or alleged to be caused in whole or in part by the action, negligence, and/or failure to act of any Released Party and that arise out of or in connection with the Event.

Medical Treatment

In connection with any injury that I, Participant, may sustain or other medical condition I may experience during my participation in or attendance at the Event, I authorize any emergency first aid, medication, medical treatment or emergency surgery deemed necessary by the attending medical personnel if I am not able to act on my own behalf. Similarly, I grant such permission on behalf of any minor children or other persons attending the Event for whom I have authority for such decisions.

Severability of Provision

I, Participant, agree that the foregoing releases are intended to be as broad and inclusive as is permitted by law. Any provision herein found by a court of valid jurisdiction to be void and unenforceable shall not affect the validity or enforceability of any other provision herein.
